Ben Brown Fine Arts is delighted to present *Calder: Extreme Cantilever*, an unprecedented exhibition that brings together for the first time Alexander Calder's three cantilever sculptures, alongside a curated selection of oil paintings, works on paper, and historically significant artifacts. This exhibition illustrates a pivotal shift in Calder's formal and conceptual approach to spatial abstraction amid the global upheaval of the Second World War.

Calder: Extreme Cantilever will open at Ben Brown Fine Arts, London on October 9 and will run concurrently with *Frieze Masters*.
