Frieze Los Angeles: Focus Section

Booth F.09

Tyler Park Presents is excited to participate for the first time in the Focus section of Frieze Los Angeles with a solo presentation of new paintings and sculptures by Los Angeles-based artist Henri Paul Broyard. The works range in scale and articulate space, objects, and memories of his upbringing in South Central, Los Angeles. Moving between abstraction and representation, Broyard's work has an interest in domestic environments that evoke the subconscious of intimate spaces, objects, and memories that are often pulled from an archive of personal images, found photographs, books, and family albums.

Henri Paul Broyard (b 1989, Los Angeles, California) received a B.F.A. in Drawing and Painting from the California College of the Arts in 2013. He attended the Klasse Peter Doig at the Kunstakademie, Dusseldorf, in 2014. Broyard has had solo exhibitions at Tyler Park Presents; Los Angeles, Grant Wahlquist Gallery in Portland, Maine; Post Gallery, Zurich; and Foreland in Catskill, New York. Broyard's work has been included in group exhibitions at venues including: Deli Gallery, New York; Alexander Gray Gallery, New York and Germantown; Essex Flowers, New York; Gern en Regalia, New York; Cindy Rucker Gallery, New York; and Tom Dick or Harry, Dusseldorf, amongst others. His work has been the subject of reviews and publications in ArtNews, the Portland Press Herald, and The Rib.
