Linda Kohen

(b. 1954, Uruguay)

The Italo-Uruguayan artist Linda Kohen was born in Milan in 1924. She lives and works in Montevideo. A member of the Taller Torres García since 1949, she then developed her art in a very personal, sensitive, metaphysical, and poetic way. She affirms that what has always motivated her was the mystery, the great mystery of life, and death. She has exhibited extensively, with solo shows in museums in Brazil, Argentina, Uruguay, Italy, and the USA. Her works are part of public and private collections in South and North America, and Europe. Delmira Agustini Medal (2019), Figari Prize to artistic trajectory (2021) and Ordine all Merito della Repubblica d Italia (2023). Named Illustrious Citizen of Montevideo city (2024).
